

Food & Agriculture

CAPABILITY STATEMENT

Product Range

Crops & Commodities: A wide range of crops and commodities including grains, pulses, oilseeds, and more, sourced from reliable and sustainable farms.

Livestock & Poultry: Livestock and poultry products that meet the highest standards of quality

Fresh & Processed Foods: From fresh fruits and vegetables to processed foods, our extensive range covers every need.

Dairy Products: We supply high-quality dairy products, including milk, cheese, yogurt, and butter.

Agricultural Equipment & Supplies: A wide array of farming tools, machinery, and supplies to support productive and efficient agricultural practices.

Feed & Nutrition: Animal feed and nutritional supplements ensure optimal growth and health for livestock and poultry.

Organic & Sustainable Products: We're committed to promoting sustainability and offer a variety of certified organic food and agricultural products.

Fertilizers & Pesticides: Safe and effective fertilizers, pesticides, and other crop protection products.

What We Do

Garrison Walker Group (GWG) is a leading supplier of high-quality food and agricultural products, specifically designed to cater to the stringent demands of organizations like the United States Department of Agriculture (USDA). Backed by our robust supply chains and expansive experience, we deliver comprehensive solutions that ensure food safety, enhance agricultural productivity, and contribute to sustainable growth.
